

Membership Application

This is the Needham Golf Club "Membership Application". If more than one family member is applying, please list each applicant's name, their date of birth, and desired "Membership Classification" in the space provided. All applicants will become Social Members and added to the wait list for their requested classification. If no wait list exists, the applicant will be notified of any additional membership fees they owe and become a member in that classification. Please contact the Membership Chairman with any and all questions. You must submit a non-refundable check of \$943.00 for Social Membership dues with your completed application. Juniors do not pay this fee, but their sponsoring parent must do so if not already a member.

Annual dues represent the principal source of revenue for the Club and payment is expected by check or cash. Members electing to pay dues and annual fees by credit card will be assessed a credit card convenience fee to be determined by the Board annually. The current fee is \$80. A credit card fee is not assessed for settling monthly Member Charge accounts.

Kindly return the completed application and your check (made payable to "Needham Golf Club") to the following address:

Membership Chairman, Rich Raskind at rraskind@gmail.com
Needham Golf Club
49 Green Street
Needham, MA 02492

Following our receipt of both the completed application and check, we will deposit your check, add your name to your requested classification "golfing wait list", and welcome you through email as a Social Member (Class 7) of the Club.

Social Membership entitles you to full use of the Club's locker, dining and Grille Room facilities. During weekdays only, you may use the golf practice facilities. You will be invited to all non-golfing social events. Each member will be entitled to 36 holes of golf per season to be played on any weekday. Always call the Pro Shop in advance. The Capital Dues are \$140.00 per year.

In December of each successive year, you will receive an invoice for your Social Membership dues for the following year. Please note that if you fail to renew your Social Membership at any time, your name (s) will be removed from the "golfing wait list".

The Needham Golf Club is a private entity that leases a portion of its grounds from the Town of Needham. Our current lease with the Town requires that of all new "golfing" members accepted in a given year, 90% must be Needham residents and 75% must be taken in chronological order based on the waiting lists. If you have any questions, kindly include a note with your application, or write to the "Membership Chairman" at the above address. Many thanks for your patience and we hope to have you join us soon as a golfing member.
